

Social Media Comment Policy

This policy outlines participation criteria for postings and published commentary on any of the West Cork Carers Support Group's (WCCSG) social media sites, including but not limited to Facebook. WCCSG uses interactive online social media to share information, gather feedback and create a dialogue with our community of Carers. We welcome your input and thoughts, but will remove comments or content that include:

- Obscene or racist content
- Personal attacks, insults, or threatening language
- Potentially libellous statements
- Plagiarized material; any material in violation of any laws, including copyright
- Private, personal information published without consent
- Information or links unrelated to the content of the forum
- Commercial promotions or spam

WCCSG social media sites will be monitored on a regular basis during normal hours of operation.

We welcome feedback and ideas from all our followers, and will endeavour to join the conversation where possible.

However, we may not be able to reply individually to all messages or comments received.

We will endeavour to ensure that any emerging themes or helpful suggestions are passed to the relevant people.

WCCSG is not responsible for the accuracy of content posted by any subscriber in any forum; opinions expressed in comments on WCCSG social media forums do not necessarily represent those of the organisation.

All comments, once posted, become the property of WCCSG and we reserve the right to reproduce, distribute, publish, display or edit same. Derivative work also can be created from such postings or content, and used for any purpose, in any form and on any media.

WCCSG is not responsible, liable for and does not endorse the privacy practices of Facebook or Twitter or any linked websites. Your use of Facebook, Twitter and any linked websites is at your own risk.

Facebook may occasionally be unavailable and we accept no responsibility for this lack of service.

By viewing a digital image from our collections, you are agreeing to comply with copyright licencing regulations. These state that your use of the image is for personal use only, and that you will not copy, publish or distribute the image in any way.

WCCSG assume no responsibility or liability for any injury, loss or damage incurred as a result of any use or reliance upon the information and material contained within or downloaded from these websites.

The presence of any advertisement on these WebPages is not an endorsement of the authenticity or quality of the goods, services or website and WCCSG will not be held responsible for any claims arising in that respect.

We will not engage, and we discourage posts or comments on, issues of a political nature.

Comments should not advertise commercial products or services.

This comment policy may be revised at any time.

By choosing to comment and/or utilise any WCCSG Media site, users are deemed to agree to this policy.
